

Affiliate Talking Points – 2015

- Greetings (Nancy is SO VERY SORRY she cannot be here – she had a great time at this conference last year, but with 7 affiliates she can only get to each affiliate once every two years and still fulfill her responsibilities to her students)
- Encourage membership in AMATYC
 - Fantastic annual conference – 2015 conference in New Orleans, Nov. 19 – 22
 - Hope to see you there
 - Presiders will be needed
 - Webinars – check out our website, www.amatyc.org, to view past webinars and to learn of upcoming webinars (email announcements are also sent out to members)
 - Publications – AMATYC News and MATHAMATYC Educator
 - Committees pertaining to our profession – anyone can join!
 - Still looking for Campus Rep’s – please, let Nancy know of your interest
 - Interested in serving as a Delegate at the AMATYC Delegate Assembly?
 - Consider participation in the ACCESS Program – either yourself (first three years of full-time renewable position) or someone new to your school
 - Refer a Friend program – Article in AMATYC News (Volume 30 Number 1 January 2015)
 - Campaign runs May 31, 2015
 - You must be a current member of AMATYC
 - The recruited colleague/individual cannot have been an AMATYC member in the last five years
 - The colleague/individual needs to join as a regular member or an adjunct member
 - For each person who joins and provides your name and school as the referring individual, you will receive \$10 off your next membership – up to 9 referrals for a one-year free membership.
- Position Statements – available on the website
 - Can be used to support your position with administration/governing bodies
 - Majority are written by the committees – get involved and help us improve them!
- Please, consider supporting the hospitality room at the New Orleans Conference – snacks and coffee are VERY pricey (more than in Nashville!). All help is greatly appreciated!
- Student Math League – please, get involved if you aren’t already
- Encourage your school to become an institutional member of AMATYC (Currently \$480/year).
Institutional membership includes:
 - One complementary regular early registration (\$350)
 - One job posting on our website (\$120 Minimum)
 - AMATYC Publications for sharing with your faculty (Priceless!)
 - SML fee (\$35/\$50)So, do the math, the institutional membership is a good value!
- Nancy has not heard any reports from the two-year nomenclature committee. Your students in their first two years of college mathematics are still eligible for the SML at this time and we expect that to remain the case. Any news on this front will be passed along as soon as possible.
- Please, share your thoughts, ideas, and concerns with Nancy. She is your representative on the AMATYC Board
